

Introducing....

Pennine Lancashire Building Control

Unlike private companies, Local Authority Pennine Lancashire Building Control is non-profit making whilst still providing a customer focussed, proactive, cost effective and efficient service.

We are able to offer a comprehensive and effective package of services to ease the path to Building Regulation approval and early completion of your project.

WE PROMISE:

- Independence – our Surveyors have no vested interest;
- Excellent communication with Architects and Builders keeping them up to date with the latest news on changes to the Building Regulations;
- Attendance at design team meetings where we can offer pre-tender advice and real cost savings;
- To facilitate development, not hinder it;
- To offer a dedicated officer who will be your primary point of contact;
- A flexible and tailored approach;
- To check plans within 10 working days of receipt;
- A close working relationship with the Fire Authority allowing you to proceed with confidence;
- Completion certificates immediately issued upon satisfactory completion of the work;
- Exceptional understanding of all aspects of Building Regulations;
- Unrivalled local knowledge;

Our team possess a vast depth of technical expertise and a customer friendly approach that has played a major role in delivering safe, accessible, sustainable and innovative buildings throughout the boroughs of Blackburn with Darwen and Burnley.

We have worked in conjunction with national Architects and contractors to ensure safe, environmentally friendly hospitals, health centres, leisure facilities, transport depots, shops and office buildings. Residents and visitors alike can enjoy quality facilities in the knowledge that Pennine Lancashire Building Control has been an impartial and active member of such construction projects.
