

Access to Burnley Crematorium and Cemetery

Roadworks on Accrington Road will affect your journey to Burnley Crematorium and Cemetery.

Please read the information below which explains how you can access the crematorium:

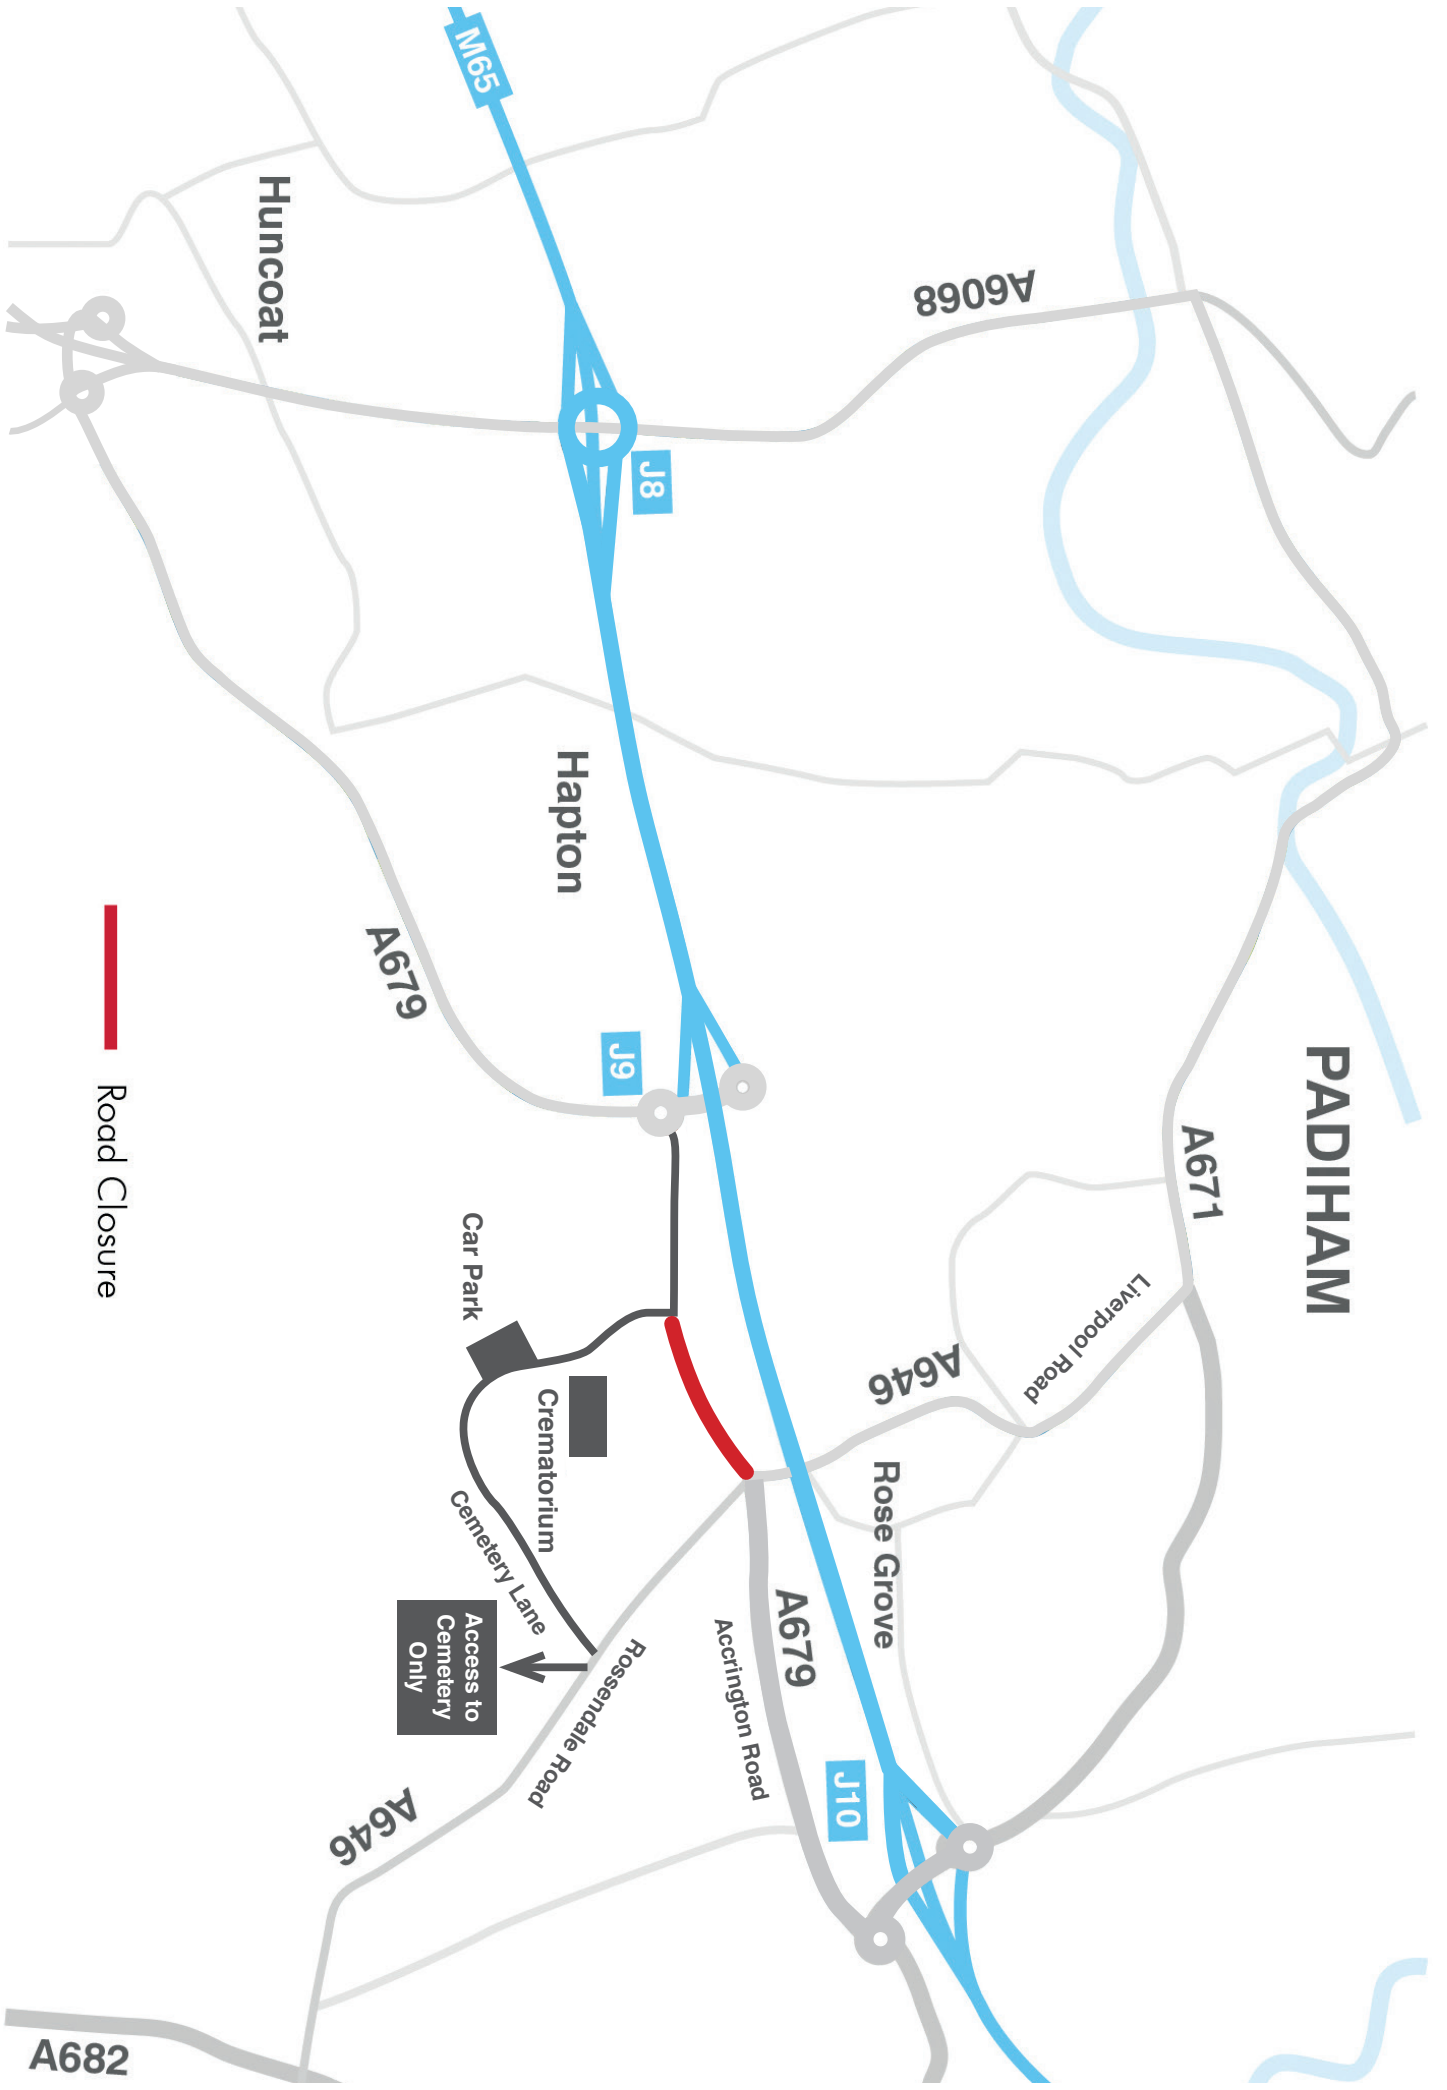

- If you are travelling to the crematorium from Hapton or from the M65 via the roundabout at Junction 9 of the M65, you will be able to access the main entrance to the crematorium on Accrington Road as normal and exit via the same route, back towards Network 65.
- If you are travelling from Burnley or Padiham via Accrington Road, Rossendale Road or Liverpool Road, you should access the crematorium via Cemetery Lane, which is located by the main entrance to the cemetery on Rossendale Rd (post code BB11 5DD). Follow the signs from the top of Cemetery Lane to the crematorium car park.
- The access to the cemetery on Rossendale Rd is open as normal, but your journey there may be affected by diversions.

The plan (overleaf) provided indicates the road closure and diversions.
