

Housing information for Armed forces

You need to complete a homeless enquiry form <https://hpa2.org/refer/BURNLEY>

We'll contact you as soon as possible after we receive it. Being 'at risk' of becoming homeless means that you are likely to become homeless within the next 56 days.

If you become homeless when our offices are closed ring out of hours 01254 356535. You may be able to get help with emergency overnight accommodation.

Your housing options

If you are aged between 16 and 24, we will refer your case to the [HAPI \(Homelessness Awareness Prevention Interventions\)](#) scheme. They can:

- answer questions about homelessness and housing issues
- provide independent advice and guidance
- tell you about all the different options available to you
- explain what you are entitled to and what your rights are
- provide support with housing and referrals to projects both in and out of Burnley
- liaise with landlords either to help you get accommodation or to discuss issues you are having with a landlord
- provide unofficial mediation and support you to contact family or friends and build positive relationships
- refer you to other agencies such as counselling, drug and alcohol
- help you when applying for benefits and budgeting money
- help you if you are worried about your own safety or the safety of others
- give you support either over the telephone or face to face
- provide support for as long as you need it

Aged between 16 and 17

If you are aged between 16 and 17, you are not legally allowed to hold a tenancy in your own name. Most landlords of private rented accommodation will not allow you to rent one of their properties because of this. You can apply to the B-with-us choice-based lettings scheme www.b-with-us.com but in most cases you won't be able to bid for a property until you are 18. You would, however, be in a priority group for supported accommodation because of your age.

If you become homeless

We will concentrate on trying to find you accommodation. If you are eligible for assistance and have a priority need, we will offer you temporary accommodation. You will be considered a priority if you are vulnerable as a result of having been discharged from HM Regular Force. You will be assessed to see if you meet the criteria.
