

Knowledge Test Information for New Applications for Hackney and Private Hire Drivers

In order to apply for a new Hackney Carriage or Private Hire driver's licence you must first have successfully completed an online 'Knowledge Test' via Taxi Plus.

The test will involve you being required to have a good knowledge of the Highway Code as well as being familiar with various locations and routes to key destinations such as hospitals, entertainment venues etc. You must also understand the requirements placed on you by the law and by the conditions that are attached to hackney carriage/private hire driver's licences.

Examples of the licence conditions and a summary of the legislation, which you should familiarise yourself with prior to the test, can be found here:
