

APPENDIX 2

To: Burnley Borough Council

Re: Appropriation of land for planning purposes, Glebe Street Community Centre and associated land

I  of

 Burnley
wish to object to the appropriation of land for planning purposes at this site.

The land includes one of the few open spaces in the area and is important as it is used for recreational purposes.

It has been widely used for at least 70 years and by custom and practice has become a shared space used for recreation by local residents including myself and my family
