### 3. Amendments to the Streetscene Structure (Environmental & Engineering Services) – 2016

**Purpose** To seek approval to make amendments to the Streetscene structure within Environmental and Engineering Services

**Reason For Decision** The proposed changes are in accordance with the Council's 2017/18 savings proposals, the current medium term financial strategy and the required structure requirements to enable Streetscene to respond effectively to service delivery priorities.

The proposed changes within the Engineering Team reflect the ongoing work of the amalgamated CCTV Hub that will see the management of CCTV being transferred to Blackburn with Darwen Council.

**Decision** To approve the amendments to the Streetscene structure as set out in paras. 4 and 5 of this report. (See Appendix One – Current and Proposed Structure)
