Charitable Organisations

Registered charities and community groups may use promotional areas 1, 2, and 3 on a casual basis without charge, provided the area is not required for a commercial booking. Under these terms the availability of these areas are not guaranteed. As such, a charity booking may be cancelled with 48 hours notice, if a commercial booking is subsequently received for that area. Charities wishing to avoid the possibility of cancellation, can pay a reservation fee of £12 (inclusive of VAT) to protect their booking. When the reservation fee is paid the booking will be confirmed in our events diary.

Commercial Agencies booking promotional spaces on behalf of a Registered Charity will be charged at the standard Burnley Based Business rate.

Payment

All bookings fees are subject to VAT. Full payment is due 14 days in advance of the booked date. Please make cheques payable to: Burnley Borough Council
