Advice on preventing re-infestations.  
Sewer baiting throughout the borough

### **Tips to remain pest free**

- Ensure your home and other premises are pest-proof eg seal any gaps under doors and around pipes
- Don't leave food out on the ground for birds. Use proper bird feeders to discourage vermin. Don't encourage pigeons to feed
- Ensure your drainage system is properly sealed, eg no cracked inspection covers
- Store all foodstuffs in sealed containers, particularly any foodstuffs kept in outbuildings
- Regularly clear any birds nests from around the eaves - these are a source of many insects pest such as fleas, mites and beetles
- Ensure food is not allowed to accumulate, especially in warm places such as behind oven or fridges
